Forecast for Friday 18 Jun 2021

Weather: Friday will be largely dry with any cloud soon lifting and clearing by mid-morning, leaving the day with sunny spells. It continues bright during the afternoon, with hazy sunshine however. Cloud will tend to increase from mid-afternoon, but it will remain dry.

Chance of cloud free mountain/hill tops above 800m: 80% throughout.

Visibility: Generally good to very good, however cloud banks with bases from 700 to 800m during the early morning will mean poor visibilities near summits. Conditions should improve during the morning as cloud bases lift and clear above summits.
